Asst. District Commissioner,
H. b. l. n. e.

Subject:-Sanctioning of Pensionable Officers
under the Pension Ordinance.

Reference:-Your S/110/18-22 of 1.9.37.

You have instructed me to report on the
under listed tax collectors and their suitability
for permanent and pensionable service:

Shafiq Yousuf

Qasim Qasim

Hilmi Shweika

Izzat J. Yusuf.

2. Of these, Shafiq Yousuf was re appointed with
effect from 1st February 1937, having been found fit
for reengagement by the District Medical Board. I
presume that he should submit ^{to} a further examination
to determine whether he is fit for permanent and
pensionable service before the question of his
confirmation is considered.

3. Qasim Qasim has been passed fit for permanent
and pensionable service, vide your letter No. S/110/18
of 20.3.37. I consider him the most promising of
the unconfirmed tax collectors and recommend his
confirmation.

4. Izzat J. Yusuf and Hilmi Shweika have also
been passed as fit for permanent and pensionable
service, but I am not entirely satisfied with either
and I do not recommend their confirmation as yet.

- 2 -

5. The question of a second tax collector for Nathanya new area. I consider that the transfer of a tax collector from the Arab to the Jewish area is justified, but this will of course necessitate the dismissal of one of the present staff. On grounds of conduct or efficiency I have no reason at present to recommend such a dismissal, and I would be glad to know whether you would wish that one appointment should be terminated in the interests of the public service, or whether the appointment of a second collector to Nathanya/await the occurrence of a vacancy at some future date.
